

Name: _____

3 Video Space

Date: _____ Period: _____

Altering Reality

Write down and sketch out how to use the video frame to alter reality for each scenario below. No computer graphics or green screens are needed. Use several different shots to sell your illusion. Include which law of video space you are demonstrating. Money is not an object. You may build special sets if needed.

1. Your character throws a basketball over his/her shoulder from half court and makes the shot.

--	--	--	--	--

2. Two characters are sitting at a table having a conversation. You need 1 character to appear to be 3 feet tall and the actor/actress is actually 5 feet tall.

--	--	--	--	--

3. Your character is able to long jump 20 feet from a standing position.

--	--	--	--	--

4. Make your character appear to walk up ten flights of stairs but you only have one flight of stairs.

--	--	--	--	--

5. Your character appears to walk up a wall without any ropes or harnesses.

--	--	--	--	--

6. Your character is able to walk up a wall, across the ceiling and down the other wall back to the floor.

--	--	--	--	--
